FOCCUS® Marriage Ministries nurtures holy, happy, and healthy marriages by providing faith-centered, research-informed tools that help couples grow in love, communication, and commitment. For over 40 years, FOCCUS® has supported dioceses and churches worldwide in preparing couples for strong, lasting marriages.

FOCCUS® Together is our new annual initiative, launched in 2026 to sustain and expand marriage formation through updated resources, new inventories, language access, training, and outreach.
