Why Matching Matters

Every matched dollar helps us:

- Translate inventories into additional languages to reach new dioceses and countries.
- Develop vocation-specific inventories for military and first responder families.
- Offer training scholarships for diocese, parishes, and local church communities.
- Sustain the digital tools and formation resources that strengthen marriages worldwide.
- Your generosity ensures FOCCUS® continues its 40-year mission to nurture faith-filled, lasting marriages — and matching gifts make that possible at twice the speed.

Matching gifts help us reach more couples—faster.
